

## What is unique about Overcomers In Christ Resources?

Overcomers In Christ provides an effective, hands on approach to recovery, regardless of the problem. The interactive *Overcomers Handbook* offers a compassionate blend of God's grace and truth. This handbook is ideal for personal use, one-on-one mentoring and ongoing support groups. The innovative *Dealing with Feelings* communication game works excellently with the handbook to help remove masks that so many people wear.

### Who benefits from Overcomers groups?

Anyone 12 years old and up, whether male or female, educated or uneducated, Christian or non-Christian. The resource materials are Bible-based, realistic in approach and have been field tested for three decades.

### Purpose of Overcomers groups.

Overcomers groups meet regularly to share the comfort and hope found in Jesus Christ. The groups provide encouragement, support and accountability. Most importantly people have a safe place to share their feelings and are drawn together like a magnet. God empowers and uses these transformed lives to revitalize and to strengthen His church the body of Christ as they reach out to others with the Life-Changing Message of the Gospel of the Grace of God.

Christ-centered recovery involves turning from false gods to the One who gives abundant life, the Lord Jesus Christ, the created ALL things. “The Lord Jesus who knew no sin, to be sin for us, that we might become the righteousness of God In Him.” (2 Corinthians 5:21) False gods promise power, meaning, and security, but they eventually destroy their worshippers lives. In contrast, we discover our true purpose for living as we find our true identity in the Gospel of the Grace of God. When we believe that the Lord Jesus Christ took ALL our sins upon Himself, was crucified, died, was buried and rose again the third day, we become empowered with God's unconditional love, acceptance, and forgiveness of our sins and inadequacies.

**Who needs recovery?** Anyone whose relationship with God, family, and others that falls short of Gods standard. In other words, we all do to some degree. Recovery from contaminated thinking is spiritual growth. Christ's victory over sin on the cross has been God's redemptive gift to all of mankind! Those who believe by faith that the Lord Jesus Christ was crucified, died, was buried and rose again are credited with ALL of the righteousness of Christ Jesus the Lord.

**Victorious life recovery begins when --** we become Gods child, but it does not end there. Genuine Spiritual growth and maturity is a process as we allow Christ-centered teaching, rather than self-centered thinking to rule our lives. Surrendering to the Lord gives Him His rightful place at the center of all that we think and do. God created us to know Him and to make Him know.
